

SPRING QUARTERLY MEETING – March 17, 2020

Friends and Neighbors:

So sorry we had to cancel our Spring meeting due to the current health crisis gripping our community. Had we met we would have been treated to a presentation from Katherine Jandernoa of Local First, one from Richard App from the Chamber of Commerce, and one from Hannah Berry about the Afterdark street fair project. Perhaps we can do those at a later date; they all have potential to enhance our individual business operations, as well as life in our business district. We would also have had opportunity to get your feedback on the CIA's WestSide Banner project, which has made an amazing difference in the appearance of our West Side business corridors.

At this point, it doesn't make sense to try to reschedule in the near future. Hopefully, we'll be able to meet in June on the 16th at Brann's here on W. Leonard.

Attached to this report are the handouts we would have distributed at the meeting.

Keep in mind that the CIA has a façade grant program on-going.

Please consider becoming a supporting member of WLBA or renewing your current membership before July 1.

As always, my inbox is always open if you have questions, concerns or something to communicate. Note the change in mailing address.

Thanks; stay healthy, and we wish the best for your businesses as we navigate this difficult course in our community and nation. Let us know if WLBA can help you in any way.
