BE COMMITTED! JOIN US!

BECOME A MEMBER!

The WLBA is comprised of business owners and organizations that volunteer their time to meet on a regular basis to promote the West Leonard area. Your membership in this organization is voluntary and encouraged.

BE COMMITTED!

Your annual dues and other contributions allow us to cover the minimal expenses we incur as an association. More importantly, they enable us to connect businesses, neighbors and visitors, and to create partnerships around the area. We support neighborhood projects with our partners and members, seeking the overall health and promotion of the business district and its surrounding neighborhoods.
